VISION STATEMENT

We will carry the message of hope throughout the world to those affected by the addiction of someone near to them.

We will do this by

- letting them know they are no longer alone;
- practicing the Twelve Steps of Nar-Anon;
- encouraging growth through service;
- making information available through outreach encompassing public information, hospitals, institutions, and websites; and
- changing our own attitudes.

Group Conscience

Tradition 1

Our common welfare should come first; personal progress for the greatest number depends on unity.

Tradition 2

For our group purposes there is but one authority – a loving God as He may express Himself in our group conscience. Our leaders are but trusted servants – they do not govern.

Concept 6

Group conscience is the spiritual means by which we invite a loving Higher Power to influence our decisions.

A group conscience is the collective viewpoint on matters affecting the group. Group conscience occurs anytime members make a decision in the best interest of a group, area, region, etc., or Nar-Anon as a whole. Arriving at a group conscience requires informative discussion by its members using the Guides to Local and World Services and adhering to the steps, traditions, and concepts of Nar-Anon in order to reach a decision. As members of a spiritual program, we invite our Higher Power to guide us throughout this process. When we treat each member with respect and

learn by listening to one another, we can achieve unity. The group conscience is a spiritual principle in the Nar-Anon program. All members share responsibility for the healthy functioning of the group. The principle of group conscience is used for decision making at all levels of Nar-Anon. Any member of the group can request a group conscience.

Group Conscience Meetings

Concept 3

The Nar-Anon Family Groups delegate to the service structure the authority necessary to fulfill the responsibilities assigned to it.

Concept 6

Group conscience is the spiritual means by which we invite a loving Higher Power to influence our decisions.

Concept 7

All members of a service body bear substantial responsibility for that body's decisions and should be allowed to fully participate in its decision making processes.

Concept 9

All elements of our service structure have the responsibility to carefully consider all viewpoints in their decision-making processes.

Group Conscience meetings are held regularly to discuss any issue pertaining to the welfare of the group. Each group is autonomous but still has an obligation to work within the guidelines of Nar-Anon when determining how their Group Conscience meetings are conducted and when they are held. Through group conscience and group autonomy, our groups make decisions such as

- types of meetings held by the group (e.g., beginner meetings, step meetings, tradition meetings);
- scheduling regular group inventories in order to keep meetings healthy;
- holding group elections;
- group participation in area, region, or world events;
- issues to be discussed at Group Conscience meetings (e.g., group, area, region, and world service matters, such as the *Conference Agenda Report (CAR)*);
- establishing committees when necessary (e.g., outreach, literature, group anniversary, finding a new location); and
- donating to the area, region, and WSO.
